

# Investing for Success

## Snapshot report

### Under the Investing for Success Agreement for 2017

Mackay Central State School received

**\$108 098.00**

#### Our school initiatives are on track to meet or exceed our targets

During 2017, we focused on maximising the benefits of this funding for our students. After reviewing our 2017 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Develop strong teaching and learning practices within writing across whole school.
- Continue Seven Steps to Writing Success model.
- Continue to a coaching and feedback model for writing and Seven Steps to Writing Success model throughout the school
- Utilise a greater Guidance Officer service

#### Our school initiatives are showing substantial progress toward our targets

After reviewing our 2017 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Use hot and cold data to inform and differentiate numeracy groups and program choices
- Expose students to a range of approaches to problem-solving strategies that they can use to solve problems in class, in assessment tasks and in the real-world.
- Embed whole school numbers facts and Rapid Recall Routine program and procedures
- Support classroom teachers in the preparation, resourcing and planning for guided reading in their classrooms
